A SHORT REPORT

(2014-2015)

● Unalloyed love of God is the essential thing. All else is unreal.

● There are pearls in the deep sea, but one must hazard all to find them. If diving once does not bring you pearls, you need not therefore conclude that the sea is without them. Dive again and again. You are sure to be rewarded in the end. So is it with the finding of the Lord in this world. If your first attempt proves fruitless, do not lose heart. Persevere in your efforts. You are sure to realize Him at last.

–**Sri Ramakrishna**

● Many are the names of God and infinite the forms through which He may be approached.

–**Sri Ramakrishna**

● As wind drives away a cloud, so does the name of God disperse the cloud of worldliness.

–**Sri Sri Sarada Devi**

● Don't be afraid. Human birth is full of suffering and one has to endure everything patiently, invoking the name of God. None, not even God in human form, can escape the sufferings of body and mind.

–**Sri Sri Sarada Devi**

● I tell you one thing my child — if you want peace, do not find fault with others. Rather, see your own faults. Learn to make the world your own. No one is a stranger, my child; the whole world is your own.

–**Sri Sri Sarada Devi**

Swamiji on Universal Faith:

- ★ *Each Soul is potentially Divine.*
- ★ *The goal is to manifest this divinity within by controlling nature, external and internal.*
- ★ *Do this either by work, or worship, or psychic control, or philosophy - by one, or more or all of these and be free.*
- ★ *This is the whole of religion. Doctrines, or dogmas, or rituals, or books, or temples, or forms, are but Secondary Details.*
