We are delighted to inform you that our college has been identified as ***College with a Potential for Excellence (CPE)*** by the University Grants Commission. Under this CPE scheme, UGC identifies colleges which attain sufficiently high standard in teaching, research and extension activities and hold promise of excellence.

While this is a new feather in our cap, what indeed is an icing on the cake is we have topped the list of the colleges in West Bengal that have been granted this honour.

We thank all our stakeholders – the monastic members, the members of the staff, the students, the guardians, the alumni, the well-wishers & donors whose tireless efforts in search of excellence have brought us this distinction.
